

ANTWERP ARMOIRE

The Antwerp Cabinet is a tall, architectural form defined by clean vertical proportion and a composed presence. Solid wood doors create an uninterrupted oak façade, allowing the natural grain to take center stage. Inside, open shelving is paired with concealed lower storage for balanced functionality. A custom cast iron handle introduces subtle contrast, adding weight and restraint to the cabinet's refined silhouette.

Product Details

The solid French white oak is finished with a natural oil that allows the wood to breathe and respond to its environment; custom solid cast iron handle. Variations in humidity may result in natural movement, including small cracks or shifts in the grain. These changes are expected and reflect the living character of solid wood, contributing to the piece's evolving surface over time.
