

ANTWERP NIGHTSTAND

The Antwerp Nightstand is an exercise in proportion and material clarity. Crafted from solid French oak, its surface reveals rich grain and natural variation, giving each piece a distinct presence. A single drawer with soft-close functionality offers smooth, deliberate use, while the overall form remains composed and architectural at the bedside.

Product Details

The solid French white oak is finished with a natural oil that allows the wood to breathe and respond to its environment. Variations in humidity may result in natural movement, including small cracks or shifts in the grain. These changes are expected and reflect the living character of solid wood, contributing to the piece's evolving surface over time. Drawer fitted with premium soft-close slides for seamless operation.
