SHERPA COUNTER STOOL

The Antwerp Counter Stool pairs a solid French white oak base with a shearling seat, aligning structure and softness in a compact, grounded silhouette. The paneled oak form reads as a single volume, while the shearling top introduces texture without disrupting the underlying geometry.

Product Details

Solid French white oak paneled base with shearling upholstered top. The oak is finished with a natural oil that allows the wood to breathe and respond to its environment. Variations in humidity may result in natural movement, including small cracks or shifts in the grain. These changes are expected and reflect the living character of solid wood, contributing to the piece's evolving surface over time.
