

SHERPA OTTOMAN

The Antwerp Ottoman pairs a solid French white oak base with a shearling seat, aligning structure and softness in a compact, grounded form. The paneled oak base reads as a single volume rather than a frame, giving the piece weight and presence. Topped in shearling, it introduces warmth and texture while maintaining a clear, disciplined geometry.

Product Details

Solid French white oak paneled base with shearling upholstered top. The oak is finished with a natural oil that allows the wood to breathe and respond to its environment. Variations in humidity may result in natural movement, including small cracks or shifts in the grain. These changes are expected and reflect the living character of solid wood, contributing to the piece's evolving surface over time.
